EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Joseph R. Baker on August 16, 2004.

The application has been amended as follows:

In claim 12, last line, after the term "together" insert -- , said microspheres lacking a separate binder phase --.

In claim 24, last line, after the term "cool" insert -- , said microspheres lacking a separate binder phase --.

29. (new) A fibrous reinforced foam made by a method consisting of:
contacting a fibrous material with a microsphere
component under conditions such that the microsphere
component infiltrates the fibers of the fibrous component to
generate a mixture; and

heating the mixture in a closed mold under conditions such that the microspheres expand to fill the closed mold such that a plurality of the microspheres are fused together.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Morton Foelak whose telephone number is (571) 272-1071. The examiner can normally be reached on Monday thru Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck can be reached on (571) 272-1078. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
